

RAVEN CAREER DAY

WANT TO KNOW WHAT A CAREER IN ENGINEERING IS REALLY LIKE?

Raven Career Day, an interactive, educational program for high school students, is centered around the fields of Engineering.

- Agricultural Engineering
- Electrical Engineering
- Computer/Software Engineering
- Mechanical Engineering
- Aerospace Engineering
- Industrial Engineering
- Chemical Engineering
- IT Engineering

Students participate in a one-day session designed to gain exposure to business leaders, hear from Raven team members, and explore real-life applications of the various disciplines of Engineering.

RAVEN

WHERE

Our Engineering Career Day is offered for one full day once a year, in Sioux Falls, SD.

WHO CAN APPLY

Candidates must be enrolled in high school. We welcome students with varying interests in technical experience — or even an undecided career path.

HOW TO REGISTER

Visit our website to download the registration form.
